Who We Are

PivotPro Solutions is a women-led consulting agency specializing in operational systems, CRM setup, digital marketing, and website development for businesses and government-facing organizations.

Our cutting-edge solutions are designed to make life easier, more efficient, and more productive.

Past Performance

TFN Lending – Action Capital

Customized their CRM to manage leads, automate workflows, and track deal progress, boosting efficiency and conversion rates with ongoing support for sustained growth.

Body Telemetry LLC

Led end-to-end project management, sourced product suppliers, and supported the integration of operational technology for a new product launch.

Digital Twin Imaging

Executed targeted email marketing campaigns to promote public safety technology solutions to school districts and first responders across the Midwest.
